19th November

Y3 trip to Ipswich Museum

21st November

Y6 Class Assembly in the Hall. Y6 parents welcome to join us

22nd November

PD Day - School Closed

The HEADLINE

We have arrived at the half way point of the term and are welcoming the Autumn with our wonderful scarecrow exhibition. The children had a great time taking a look at them and playing among them.

This cycle we are delighted to welcome to our school community a new midday supervisor **Ms Irvine**.

We had a wonderful response to our appeal for our harvest assembly - a

heartfelt thank you to everyone who contributed.

Thank you also to all the F2 parents who purchased cakes. The children had a great time baking them (and we hope that all those who bought them enjoyed eating them!)

Y1 had a fantastic time at the Tide Mill. At times like these I am always reminded how lucky we are to be in such a beautiful riverside town.

Finally, I wish every one a very good half term break.

M. Kinnear

Food Collection...

Thank you to everyone who brought in an item of food for our Harvest Celebration Assembly. Your kindness is much appreciated and your food items have been donated to the Suffolk Food Bank.

KIDS circle

Last Cycle's Answer...

As the lion lies on Mondays, Tuesdays and Wednesdays and tells the truth on the other days of the week, there are no days of the week the Lion can make the two statements!

Alice in the Forest of Forgetfulness...

The Lion and the Unicorn are leaving the forest for a while (to go and fight for the Queen in another part of the land), however, Tweedledee and Tweedledum will be visiting the Forest soon. Like the lion and the unicorn the two brothers lie and tell the truth on different days of the week - only this time they look identical to one another! After half term you'll really have to think hard if you want to help out Alice...

Recommended Reading...

Rosa in Y1 recommends

Huey's Story. When Hannah starts a new school, all the other girls have friends and Hannah feels left out.

Her Mum and Dad take her to Battersea Dogs & Cats Home where she meets Huey.

"I like it because I like dogs and it has a photo and fact file of a real-life dog from Battersea!"

& another thing...

Did you know... that scarecrows have been around for a very long time. The ancient Egyptians, Romans and Greeks used scarecrows to protect their crops. Japanese farmers would hang old rags, meat, or fish bones from bamboo poles in their fields, then set the sticks on fire. The smell was so bad that birds and other animals stayed away from the rice!

If you would like to recommend a book to your school mates you can e-mail your recommendation to comms@woodbridgeprimary.suffolk.sch.uk. Don't forget to include your first name and what class you are in (and remember to ask Mum or Dad before you use the computer!)

Super Scarecrows!

Thank you to all the parents and children in F1 & F2 who made and brought in the wonderful scarecrows that are currently being exhibited in our lovely garden. They truly are amazing and the children are enjoying playing amongst them!

Y1 Visit the Tide Mill

by Harry in Y1

We went to the Tide Mill. We walked across the River Deben. The river had boats in it and we had a snack. The model of the Tide Mill was great. I drew a picture of a bird. The teacher was pleased.

The Great F2 Bake!

F2 baked cakes and raised an amazing £52! Half the proceeds will be donated to EACH (East Anglia's Children's Hospices) and half will go towards buying something for the classroom that the children would really like.

Snuffles and Sneezes!

As the weather turns cooler we come into the season of snuffles and sneezes (and other dizeezes!) We have had a few instances of children being sent home with sickness and diarrhoea, so we would like to take this opportunity to remind parents that should your child experience a sickness, that includes either vomiting and/or diarrhoea, they must be kept away from school until they have been **clear** of these symptoms for **48 hours**.

Lost Uniform

We have a number of children who have lost items of uniform. Sometimes, without realising it, children pick up (and put on) someone else's uniform. Please will you take some time to check the name tags in your child's uniform to make sure that they haven't unwittingly taken someone else's? If you find that they have please bring

the uniform item back to the school so that it might be reunited with its rightful owner. Thank you.

Parking Outside School

Please do not park or stop on the yellow hatched area outside of the school. This is a No Parking / No Stopping Zone at all times. The police are monitoring the situation and will take action against motorists who park or stop in this zone.

Payment by Cheque

Please be aware that we are unable to accept payment by cheque if the amount is less than £5.

Dinner Money...

...for the second half of term.

1 meal = £2.20, 1 week = £11.00, Fridays only = £13.20, and every day = £75.80. All dinner monies must be paid in advance.
