The HEADLINE

Welcome to the Spring term and to 2013. We are delighted to welcome to the school, Leo and Anna in F1 and a welcome back to Brendan. Holly in Y1, Connie in Y2, Joseph and Oliver in Y4 and Jessica in Y6.

In keeping with new beginnings our Wrap Around Provision, Willow Garden, has opened its doors and we are happy to welcome our children to

the Breakfast Club, Lunch Club and Tea-Time Clubs. I've been into the clubs to spend time with the children and it's a lovely environment, and they're having a lot of fun.

We're also looking forward to seeing lots of you in school for our annual Come Dine With Us; it's always lovely to have parents and family members sharing a lunch with the children. If you'd like to sign up, please contact the office, because spaces are limited.

Our stars this cycle!

F1: **Spike** for being inquisitive and adapting activities for himself

F2: **Joe** for his eagerness to learn more on our project about the human body

Y1: **Taylor** for showing interest and curiosity about materials and their properties in science lessons

Y4: **George** for his curiosity to research some interesting information for his bird project

Y5: **Lily** for showing a curious attitude in our rivers topic and producing a detailed and informative poster on the Amazon river

STRICTLY FOR KIDS

Logically Thinking...

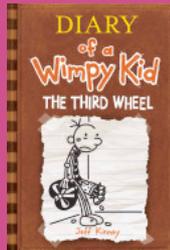

Are you Legal Eagle?

Two men were being tried for murder. The jury found one of them guilty and the other one innocent. The judge said, "This is the strangest case I have ever come across! Though guilt has been established beyond a reasonable doubt, the law compels me to set you free."

How can you explain this?

Recommended Reading...

Valerian in Y5 recommends...

Diary of a Wimpy Kid: The third Wheel. "I like these books because they are like mini

comics and they are very funny. Also, if you really like them (like I do) you don't have to feel sad when you get the the end of the book because a new one comes out every year. "

& another thing...

Did you know... The Mona Lisa, by Leonardo da Vinci, is the most famous

painting in the history of art. It is considered priceless so cannot be insured. It is in the Louvre Museum in Paris and is encased in bullet proof glass! The Mona Lisa used to hang on the wall of Napoleon's bedroom...

If you would like to recommend a book to your school mates you can e-mail your recommendation to comms@woodbridgeprimary.suffolk.sch.uk Don't forget to include your first name and what class you are in (and remember to ask Mum or Dad before you use the computer!)

Willow Garden Blossoms

Willow Garden Wrap Around started at the beginning of this term. Willow Garden Wrap Around is Woodbridge Primary's Wrap Around provision and includes our nursery for children pre-schoolers as well as our Breakfast club, Lunch Club and Tea-Time Clubs. There are three Tea-Time Clubs. *Mole's Tea-time Club* from 3:30pm - 5pm, *Ratty's Tea-Time Club* from 4:30pm - 6pm and *Toad's Tea-Time Club* from 3:30pm - 6pm. The children have lots of fun taking part in a range of games and craft activities, or, if they choose to they can spend time in the quiet area reading or catching up with homework. For more information about Willow Garden, contact the office.
