FOWPS Quiz Night

The HEADLINE

Our Spring Fayre on Tuesday definitely cheered us all in the midst of this very chilling weather. The children and staff worked incredibly hard to produce some lovely products as part of our Eastfeast project. We also had more fun than you can shake a red nose at on Comic Relief Day. Sporting fun has also been prominent these last two weeks as we took part in a cross country running competition at Hollesley School and a Swimming

Gala at the Deben pool. KS2 students enjoyed working with local artists and learning all about printing on their trip to the Sudbourne Printing Workshop, and I am looking forward to seeing the wonderful artwork they created there. The Farlingaye Choral Concert on Monday evening was a joyful occasion and Y6 worked hard and gave an uplifting song and dance performance to the song *Me Ol' Bamboo* (from *Chitty Chitty Bang Bang*) and they are now looking forward to their trip to Derbyshire.

Happy Easter, everyone!

Our stars this cycle!

F2: **Corey** for beautifully painting a shoe for F2's East Feast Project
Y1: **Jack** for his beautiful, closely observed drawing of old objects, and **Owen** for concentrating well and making excellent progress in maths
Y2: **Joshua** for a huge improvement in his attitude to learning especially in reading and writing information books

Y3: **Leo** for commitment in writing – he wrote some excellent instructions for printing cards
Y4: **Niamh** for her quick grasp of the grid multiplication method
Y5: **Tyler** for his commitment to his learning in all subjects and working hard and with enthusiasm in our school assembly
Y6: **Jessica** for her phenomenal vocabulary that intrigues, inspires and teeters on the precipice of astounding.

KIDS circle

Last Cycle's answer...

The two trains will be the same distance from London when they meet!

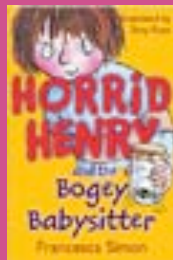

Logically Thinking...

On a certain house, the two halves of the roof are unequally pitched; one half slopes downward at an angle of 60° and the other half at an angle of 70° .

Suppose a rooster lays an egg right on the peak, which side of the roof would the egg fall?

Recommended Reading...

Harry in Y1 recommends...

Horrid Henry and the Bogey Babysitter. "Horrid Henry has a new

babysitter and he behaves so badly she says she will never come back again. My favourite part is when Henry says, 'No!'"

& another thing...

Did you know... Rabbits symbolise Spring and Eggs symbolise new life? The idea of a rabbit that leaves eggs out for children was introduced to America in the 1700's by German settlers. They told their children to make 'nests' with their caps and bonnets, and if they were good the Easter bunny would leave them coloured eggs.

STRICTLY FOR KIDS

If you would like to recommend a book to your school mates you can e-mail your recommendation to comms@woodbridgeprimary.suffolk.sch.uk Don't forget to include your first name and what class you are in (and remember to ask Mum or Dad before you use the computer!)

Spring is Here!

It may be very wintery outside but in the hall on Tuesday it was most definitely Spring! Each year group set out their stalls to sell the products they had been busy making as part of the school's [Eastfeast](#) project. The children worked hard with local artists to design and produce wonderful products connected to the garden. Some of the profits from our Spring Fayre will be spent on resources for the classroom and some on developing our lovely school garden. You can find out more about this project at <http://www.woodbridgeprimary.suffolk.sch.uk/05Children/Projects/tsgc.html>

Seeing Red (Noses)

March 15th was *Red Nose Day* and the the school was a riot of red! The children wore something red or something funny (or something red and funny) and supported *Comic Relief* by walking a route around

the school, that included Love Lane, to raise money for this wonderful cause.

The Art & Craft of Printing

On Friday 22nd March sixteen children from KS2 attended a one-day printing workshop in Sudbourne, run by Sudbourne Park Printers. The children worked alongside two local artists in their studio and tried out different methods of printing, including using the huge printing presses, which was great fun! By the end of the day everyone had learnt much about the craft of printing and had created some wonderful art work - soon be on display around the school for everyone to see.

Derbyshire is near...

The countdown to our Derbyshire trip has begun and it is now only a few weeks until Y6 depart on their much anticipated residential trip to Edale. On 20th March we held an info-meeting for the parents and Mr Sharples introduced the team of school staff and volunteers who will be accompanying Y6 on the trip and gave them a flavour of the week's activities. More details will soon be available on our website.

Swimming Gala

On Wednesday 20th March 12 children from Y6 entered the annual Swimming Gala at the Deben Pool. All the children swam brilliantly! Well done to all our swimmers!

Happy Easter!
