**10th May**

Y3 trip to Minsmere  
FOWPS Quiz Night

**16th May**

Y1 Class Assembly in the hall at 9am. Y1 parents are welcome to join us

## The HEADLINE

Welcome back to school for the Summer Term. We also welcome to the school this term Sam in Y2 and Peter in Y4 and hope they are settling in and enjoying life at WPS. The Summer term is always very exciting, with lots to look forward to. It is especially exciting for Years 5 & 6 as they go away on residential trips this term. Y6 head off to Derbyshire for a whole week, and Y5 spend a few days in an African Adventure at Sizewell.

We also have our Sports Day to look forward to as well as our Summer production and Summer Music Concert.

One for the grown-ups is the FOWPS Quiz night and this year we have a new Quiz Master who, (by all accounts), sets a fantastically entertaining quiz - so don't forget to get your team together and your forms in.

We would like to wish Dot Stanley a speedy recovery as she has been poorly recently and we are all missing her.

## Sports Round-Up

On Wednesday our football and netball teams took on Kyson...

### Football

In the football matches, the A team were leading 1-0 with 5 minutes to go, but Kyson finished very strongly and won 3-1; the B team were leading 3-0 at half time, and again Kyson came back strongly, but we were able to hold on for a 4-3 victory.

### Netball

In netball, it was an exciting game with the lead changing a number of times, and Woodbridge eventually winning 6-5.

FOWPS  
QUIZ NIGHT

Fri 10th May

£7 per person  
(including a hot supper)

All forms must be in by  
Fri 3rd May

26th April 2013 issue 14

Woodbridge Primary School, Wilkinson Way, Woodbridge, IP12 1SS

# KIDS circle

Last Cycle's answer...

Roosters don't lay eggs...

STRICTLY FOR KIDS

## Logically Thinking...

A certain street contains 100 buildings. A sign-maker is called to number the houses from 1 to 100. He has to order the numerals to do the job.

*Without using a pencil and paper, can you work out how many 9's he will need?*

## Recommended Reading...

Eva & Evie in Y5 recommend...

*"This is a really good book about a girl called Martine and her white giraffe. It has*

*a mixture of happy, sad, exciting and funny which is the main reason it so good. There are lots of other books in the series called Dolphin Song, The Last Leopard and The Elephant's Tale."*

## & another thing...

**Did you know...** That chickens can distinguish between more than 100 faces of their own species? They also have full colour vision and like to sunbathe! A brood of chickens also has a very complex social order. They know who is in charge and where their place in the social order is, (and if they step out of line they get pecked - hence the expression 'pecking order')

If you would like to recommend a book to your school mates you can e-mail your recommendation to [comms@woodbridgeprimary.suffolk.sch.uk](mailto:comms@woodbridgeprimary.suffolk.sch.uk). Don't forget to include your first name and what class you are in (and remember to ask Mum or Dad before you use the computer!)

## Chicks in Y3!

Y3 are happy to announce that they are the proud surrogate parents to some beautiful chicks! Y3 have been watching over the eggs, in the incubator in their classroom, and eagerly awaiting the arrival of their brood. They were delighted when their small, fluffy, yellow charges emerged from their shells earlier this week.

## Car Park Barrier

If you use the front of the school you may have noticed that we have installed a barrier in the car park. We decided that as a number of children walk and cycle through the car park in the morning on their way into school, and at the end of the school day as they leave, it would be safer if cars were prevented from using the car park at this time. For most of the day the barrier will be up and the car park will be open - it is only at the beginning and end of the school

day that the barrier will be lowered for safety reasons.

## Lost keys

A yale type key on a keyring has been handed into the office. The keyring has a 'S' on it (and a few other ornaments). If this keyring belongs to you, you can collect it from the office.

## Summer Dresses

We have a few Summer dresses left in stock at the school. When these dresses are gone we will no longer be stocking Summer dresses, however, you can still order the dresses online from Mapac at <http://www.mapaconline.com/schools/woodbridgeP1>

## The Mystery of...

...the missing lunch box. Archie in Y5 has lost his red, Arsenal Lunch box. If you find it, or know where it is, please can you return it to the office or to Archie in Y5.

## Dogs at the gate

While the children like to meet our furry four legged friends on their way in and out of school, some children can be frightened if the dog is less than friendly. If you do walk your dog to school please be mindful of this and stay with your dog rather than leave them tethered at the front of the school - even if it is for only a short time.

## In the next News Cycle...

How was the Netball at Farlingaye?
