

Y6 take a break in Derbyshire...

News cycle

Soon to be...

Upcoming events for Woodbridge Primary

12 June

KS1 Sports day - The Olympic Legacy

13 June

KS2 Sports day - The Olympic Legacy

18 June

New parents info evening

19 June

Rounders at Kyson

21 June

Y3 trip to Ipswich Museum to find out about the Egyptians

25 June

Y4 Marvellous Maths
Derbyshire presentation evening

26 June

Y4 trip to Kentwell Hall to explore Tudor life

The HEADLINE

Y6 are back from their Derbyshire adventure, and in spite of our lead image, there was not much time to relax! Everyone had a wonderful time and many people commented on how well behaved and polite the children were. Y6 are not resting on their laurels though, as they are now busy rehearsing for the Summer production of *Alice in Wonderland* - which promises to be a wonderful production.

Before the mid term break Y3 had an amazing time visiting Minsmere and F1 & F2 had a fun time at Jimmy's farm when they got back from their break. (And I am sorry, but no, we won't be getting an Alpaca). Y2 had a fantastic (and very busy) time at the Suffolk Punch Trust. It is wonderful to see some sunshine and it was certainly appreciated by those of us playing in the Kwik Cricket competition at Melton - we are hopeful the sun will keep shining for our Olympic themed sports days next week.

Summer Fair
Saturday 29th June
12 - 3pm

Y3 examine mini beasts at Minsmere...

7th June 2013 issue 16

Woodbridge Primary School, Wilkinson Way, Woodbridge, IP12 1SS

KIDS circle

Last Cycle's answer...

There is no discrepancy; an hour and a half is the same as ninety minutes

STRICTLY FOR KIDS

On the island of Knights and Knaves...

...knights always tell the truth and knaves always lie. A tourist to the land of Knights and Knaves met three of the inhabitants (A, B & C) and asked the first (A) if he was a knight or a knave. The tourist couldn't make out what A said, so asked B, 'What did he say?' B replied, 'He said he is a knave.' But then C said 'Don't believe B; he is lying!'

What are B and C?

Recommended Reading...

Eva in Y4 recommends...

"This is a great book full of magical suspense and adventure. I really like

the main characters as they are all so different. I particularly like Hermione because she is a girl and she is smart and likes to learn things, and so do I."

& another thing...

Did you know... about the heroic decision made by the people in the village of Eyam in 1665? The plague came to their village in some flea infested cloth delivered to the tailor, George Viccars. The inhabitants made the brave decision to quarantine themselves in order to prevent the disease spreading further; no one came into the village or left it for more than a year. Eventually, when people stopped dying from the plague, outsiders were allowed back in - but many of the villagers had died from the plague.

If you would like to recommend a book to your school mates you can e-mail your recommendation to comms@woodbridgeprimary.suffolk.sch.uk. Don't forget to include your first name and what class you are in (and remember to ask Mum or Dad before you use the computer!)

Fantastic Derbyshire!

Y6 had a fantastic and energetic time in Derbyshire. They stopped at the Derwent dam on their way to the Edale Peak Centre which was their base for the week. They visited Eyam Church and village and learnt about the heroic decision the villagers took in 1665 when the plague came to the village. They had a go at archery and rock climbing, they walked and sketched and they visited Chatsworth House and spent a reflective time in the gardens there.

For more details see the [Y6 Derbyshire blog](#)

Minsmere

Y3 had a wonderful time exploring Minsmere Bird Sanctuary where they did Pond Dipping and Mini Beast Hunting in the woodland...

For more details see our [News Page](#)

The Suffolk Punch Trust

Y2 enjoyed their visit to the Suffolk Punch Trust. They saw Suffolk Black Pigs and two 2yr old Suffolk Punch horses who had been out all night; one laid down and started snoring!

They saw chicks, Shetland Ponies and had a go at milking by hand. They went on a carriage ride, stroked some lop-eared rabbits, and visited the vehicle museum. Casey and Luke said, "Best day ever!"

For more details see our [News Page](#)

Jimmy's Farm

F1 & F2 had a really fun day at Jimmy's Farm and met all sorts of wonderful animals. (We want a school alpaca please!) Many thanks to our tour guide, Peter.

For more details see our [News Page](#)

Inside the Bird Box

Our resident blue tits now have a young family! They are growing up very nicely and have gone from being hungry 'new borns' to plump, feathered chicks (albeit still hungry!) We are really enjoying watching them grow and develop.

For more details see [The Bird Box](#)

Caterpillar Update

Our caterpillars pupated, transferred to the butterfly net and have now flown away. It was a really fun project.

Lunch Box Drinks

In line with our commitment to being a healthy school we provide jugs of drinking water for all children at lunch time, whether they have school dinners or a packed lunch, and the midday supervisors regularly top up the jugs of water and encourage the children to drink water to stay hydrated. We realise that this is an important area, so will be speaking with the MDSA's about the policy in the first instance, and will be in touch with you again shortly.

Blue 'Ice' Watch

Max in Y5 has lost his blue 'Ice' watch. It was last seen in the boys changing rooms. If you find this watch please return it to Max in Y5 or hand it at the office.

In the next News Cycle...

Olympic Sports Day!
