## The HEADLINE

While the weather may not have been quite as warm as we might have hoped for, we were fortunate that our Sports Day stayed dry. All the children demonstrated great enthusiasm and commitment and worked very hard to do their very best at what ever sport they were taking part in. Many thanks to Ms Leaning for all her hard work in organising our Sports Day - it was a great success as usual. And thank you

to all our parents who came and to cheer our young athletes on.

This week Y4 gave a very rousing percussion assembly which was led by Mr Sewell, a very brave man, for taking charge of 30, very enthusiastic children, with drumsticks in their hands!

Y5 & Y6 had a wonderful time at the Rounders Tournament at Kyson school and they all played really well. Well done to them!

# KIDS circle

Last Cycle's answer...

It is impossible for either a knight or knave to say, 'I am a knave' (Because knights always tell the truth and knaves always lie.) Therefore B lied about what A said, so B is a knave and C is a knight.

**STRICTLY FOR KIDS**

## On the island of Knights and Knaves...

A tourist meets three inhabitants (A, B & C) and asks, 'How many knights are there among you?' A mumbles something so the tourist says to B, 'What did he say?' and B said, 'A said there is one knight among us,' then C said, 'Don't believe B; he is lying!'

What are B and C?

## Recommended Reading...

Thomas & Harry in Y3 recommend...

*Ratburger* by David Walliams. "Ratburger follows the adventures of Zoe who is bullied at

school who discovers that the blind burger seller, Bert, is making his burgers with rats! It is very funny, with lots of great characters. We really enjoyed it."

## & another thing...

The *egg and spoon* race is regular event at many a school sports day, but did you know that it has quite a long and regal history? Lord William Bruce invented it in the 15th Century; egg-and-spoon races formed part of village celebrations of the Diamond Jubilee of Queen Victoria in 1897 and egg-and-spoon races were also held as part of the celebrations for both the 1977 Silver Jubilee, and the 2012 Diamond Jubilee of Queen Elizabeth II.

If you would like to recommend a book to your school mates you can e-mail your recommendation to [comms@woodbridgeprimary.suffolk.sch.uk](mailto:comms@woodbridgeprimary.suffolk.sch.uk). Don't forget to include your first name and what class you are in (and remember to ask Mum or Dad before you use the computer!)

## Sports Day

Sports Day was a lot of fun there was running, javelin, egg and spoon, climbing through the tunnel and putting a bean bag on your head and then filling a jug with water. In a running race I came 1st...or 2nd...

By Evie F2

I liked going through the tunnel best!

By Maisie F2

Sports Day was a lot of fun there was lots to do - skipping, shot-put, javelin, 50m sprint, stand and jump, soccer ball throw and ring around the cones.

By Callum Y5

At the end we got an ice lolly, which was very lovely, but it was so cold I think I really needed a hot chocolate!

## Rounders at Kyson

We took part in a Rounders Tournament at Kyson. There were six teams and sports leaders from Farlingaye helped. Our best match was against Grundisburgh. We were in a play-off for 3rd place with Eyke and although we fielded very well,

we didn't so so well a batting which really cost us. It was a fun day and everyone enjoyed themselves.
