Information to follow

17 July

Photography Club Exhibition

18 July

Class transfer day No.3

18 & 19 July

Summer Music concerts

23 July

Leavers Assembly and the last day of term

## The HEADLINE

The Summer term is always busy and we still have a lot to fit in before the end of term! I am particularly looking forward to our Summer production of *Alice's Adventures in Wonderland*. The small glimpses I have caught of the rehearsals look wonderful. The cast and crew have been practising diligently and a special mention must go to Kirsteen Torrance, our props, scenery and wardrobe mistress who

has been working tirelessly for the production. I am also looking forward to our first ever photography exhibition, again I have glimpsed a few of the photographs and I can tell you we have some very talented young photographers! On the sports field (and courts) our young sports men and women have excelled themselves. We are through to the finals of Quad Kids and our Netball team top the league. Well done to Miss Leaning and her teams!

### Our stars this cycle!

F2: **Eva** or sharing her interests with everyone in F2 and being a delight to listen to.

Y1: **Rosa** for being such a great communicator and being able to give detailed descriptions of people, places and events.

Y2: **Charley** for being committed to her work even though she is was not feeling very well.

Y3: **Thomas** and **Dylan** for asking great questions of, and discussing Egyptian

artefacts with, our guide at the Museum.

Y4: **All of Y4** for dressing up so brilliantly in Tudor costumes for their trip to Kentwell Hall and for representing the school so well.

Y5: **Rowan** for showing great communication skills while playing rounders.

Y6: **Matthew** for communicating brilliantly his experience of Derbyshire.

# KIDS circle

Last Cycle's answer...

B and C must be opposite types as B contradicts C. (So one is a knave and one a knight). If A were a knight there would be 2 knights present and A lied about there being only one. If A were a knave it would be true that there was one knight present. (But then if A were a knave he wouldn't make a true statement,) so A could not have said there was a knight present. So B is a knave and C is a knight.

## On the Island of Knights and Knaves...

...knights always tell the truth and knaves always lie.

In this problem there are only two people, A and B, each of whom is either a knight or a knave. A makes the following statement: 'At least one of us is a knave.'

What are A and B?

## Recommended Reading...

Thomas in F2 recommends...

'The Gale', A Chip, Biff and Kipper book, by Roderick Hunt and Alex Brychta

"Mum, Dad, Chip, Biff, Kipper and Floppy go to the seaside camping and they are the only ones to put their tent up strongly so when a storm comes it doesn't blow down. I like when the starfish come at the end."

## & another thing...

Did you know... Tudor recipes were written in a very different way to modern ones? There were no lists of ingredients, (the ingredients were included in the text). The measurements were very basic and often quantities were not even specified! Also, temperature control was difficult so cooking times were vague... An awful lot of Tudor cooking depended on how experienced the cook was.

If you would like to recommend a book to your school mates you can e-mail your recommendation to [comms@woodbridgeprimary.suffolk.sch.uk](mailto:comms@woodbridgeprimary.suffolk.sch.uk). Don't forget to include your first name and what class you are in (and remember to ask Mum or Dad before you use the computer!)

## Y4 at Kentwell Hall

On Wednesday 26th June Y4 dressed in costume and went back in time to 1599 to experience life as Tudors. Read Cailey and Katie's report on our [news page](#) and find out what they dared the boys to do...

## Y3 and the Egyptians

On Friday the 21st June Y3 went to Ipswich Museum. We learnt lots of interesting things and we saw a real Mummy. It was amazing. I was a little scared but I didn't care. I thought it was one of the best class trips and I would love to go again!

by Millie (Y3)

See Y3 dressed as Egyptians on our [news page](#)

## The Quad Kids

On Wednesday 26th June we went to Northgate High School to take part in the Quad Kids tournament. Quad Kids is an athletic tournament where you take part in four events;

the long jump, the vortex (it's like a rocket and you throw it as far as you can), the 75m sprint and 600m run. It was a hot, sunny day and there were 42 schools competing. The top eight schools go through to the final, which takes place on Friday 5th July. We came sixth which means we are through to the final.

by George & Tom (Y6)

See the team in action on our [news page](#)

## Sports Round-up

On Monday 1st July Woodbridge Primary School played St Mary's CEVA Primary School at Netball and Football. The results were: -

**Football 'A' team: 1-1**

**Football 'B' team: 4-4**

**Netball team: 4-3**

This result for the Netball team means they have won the league. Well done to Woodbridge Primary Netball team!

You can read all about our matches on our [news page](#)

## USB Keyboards and Mice

If you have any spare USB keyboards and mice that you could donate to the school for our Raspberry Pi's we would greatly appreciate it. More about this on our [news page](#).

## School Office Hours

The school office is open between the hours of 8:40am - 3:40pm. If you need to come to the school office please do so between these hours.

## In the next News Cycle...

An evening in Wonderland...
