Upcoming events for Woodbridge Primary

23 July

Leavers' Assembly and the last day of the Summer Term

Star Pupils

F2: **Thomas** for looking after his classmates when they are hurt and **Marney** for being creative, dedicated and careful in all her activities. Y1: **Holly** for showing kindness and consideration towards everyone and **Shelby** for creativity in all her art work. Y2: **Leo** for always including other children in his play and sharing his toys and **Barney** for creativity in building his habitat. Y3: **Iyla** for considering the opinions of others, especially during group work and **Chloe** for creativity when she made her Egyptian tomb. Y4: **Niall** for showing consideration and respect to his peers and teachers and **Eva** for consistently showing creativity in all areas of the curriculum. Y5: **Ruby, Joe** and **Giselle** for showing consideration and support to their classmates during African Adventure and **Valerian** for showing a unique creativity in all aspects of his work across the curriculum. Y6: **Daniel** for always being in the right place during 'Alice' without prompting and for approaching work with consideration and diligence and **Owen** and **Michael** for showing creativity in composing the lyrics for the Year 6 leavers song.

The HEADLINE

As we approach the end of another school year it is worth reflecting on some of the learning events that have taken place. In **October** F1 & F2's Scarecrows made our garden look magical! In **November** Zoe, the 2012 Paralympian, visited the school and spoke to us about her experiences which was inspirational. In **December** KS1 enchanted us with their Nativity Play and the KS2 Christmas Music Concert was uplifting. Woodbridge Primary singers went to the Spa Pavilion in Felixstowe to help raise money for Tear Fund and we finished the Autumn term with our *Hot Spiced Cup Event*. In **January** Willow Garden Wrap Around opened its doors for breakfast, lunch and tea time clubs and has since gone from strength to strength; and the school managed to stay open in spite of some Arctic weather! **February** saw our Day for Change and the BIG breakfast which was a lot of fun, and the F1 & F2

children welcomed in the Chinese New Year of the Snake with panache. In **March** we took part in the Celebration of School Choirs at the Snape Maltings Concert Hall, launched our new website and sold items we had made at our Spring Fayre. In **April** Y3 watched over some chicks as they emerged from their shells and then got the whole school involved. In **May** Y6 headed off for another successful trip to Derbyshire. In **June** we enjoyed our Sports Day and were grateful for dry weather (even if it was a bit chilly) and **this month** Y5 went on their African Adventure, Pirates roamed the corridors with the pirate themed Stay 'n' Play, there were Summer Music concerts and our amazing production of *Alice's Adventures in Wonderland...* All this in addition to musical assemblies, sporting fixtures and class trips to a variety of fascinating places. It's been a busy and exciting year and to all of our wonderful students I'd like to say, 'Enjoy your Summer Break - you've earned it!'

KIDS circle

More Knights and Knaves, recommended reading and factoids next term.

Also, next term, look out for the dedicated Kids Circle Notice Board in school...

STRICTLY FOR KIDS

On the Island of Knights and Knaves...

...knights always tell the truth and knaves always lie.

Last Cycle's Answer...

If 'A' were a knave then the statement 'At least one of us is a knave', would be false; hence they would both be knights. Thus if 'A' were a knave he would also have to be a knight, (which is impossible). Therefore 'A' is not a knave, he is a knight and 'A' s statement must be true, (so at least one of them is a knave). Since 'A' is a knight, then 'B' must be a knave. So 'A' is a knight and 'B' is a knave.

Recommended Reading...

Owen in Y6 recommends...

"Skulduggery is a skeleton with magic powers and this is the first book in a series.

Skulduggery sets himself on fire and survives in chapter 4 (which is my favourite chapter.) I like that the story is complex and it has helped extend my vocabulary."

& another thing...

Did you know... that the reason you have a long Summer holiday is that in Victorian times children were needed to help with the harvest?

Not all school children have long summer holidays. In the USA, an increasing number of schools have year round education with school terms of eight to ten weeks, followed by three to five weeks' holiday after each.

What do you think about that?

If you would like to recommend a book to your school mates you can e-mail your recommendation to comms@woodbridgeprimary.suffolk.sch.uk. Don't forget to include your first name and what class you are in (and remember to ask Mum or Dad before you use the computer!)

Wonderland in the Hall

The school hall became a magical musical wonderland on the evenings of 9th & 10th July as Y4 and Y5 supported the Y6 cast in our Summer Production of *Alice's Adventures in Wonderland*. Lewis Carroll introduced the story and the white rabbit was late (both nights). The hatter was quite mad (as was the March hare) and the dormouse kept falling asleep! The cook, the duchess and the queen were very bad tempered and the Cheshire cat and the caterpillar were strangely inscrutable... These, along with a host of other marvellous characters made the the 2013 Summer production very memorable.

Pirates Ahoy!

On 8th July EYFS had a fun-filled time with their Stay 'n' Play Pirate Training Day. Amongst other activities the young recruits could make a message in a bottle, create a treasure map, pan for gold and

practise walking the plank (obviously skills that every aspiring pirate must have...) Thank you to all the parents for making this Stay 'n' Play such a special event.

An old sea dog teaches his young pup tricks of the pirating trade...

Mini Sports Day Results

The mini people in F1 were mini stars at their sports day which took place on the school field on 10th July. The results (in reverse order) were...
4th with 127 points - the Red Team
3rd with 140 points - the Yellow Team
2nd with 195 points - the Green Team and...
1st with 199 points - the Blue Team!
Well done to the Blue team and thank you to all the parents who came to cheer them on.

Farewell...

... to Fran Hopkins, our School Business Manager who leaves us after eight years (although you may still see her around in her continuing role as Clerk to the Governors). In September we will welcome into our community our new School Business Manager, Sandra Thompson.

Farewell also to our Y6 students Abi, Alfie, Ben H, Ben T, Betty, Charlotte, Chloe, Daniel, Ellie, Finn, George, Harriet, Jake R, Jake S, Jessica, Josh, Joshua, Leah, Luca, Luise, Matthew, Michael, Owen, Sam R, Sam S, Shannon, Tom and Venetia.

We wish them every success in the next stage of their education.

...and finally

To each and every one of you - enjoy your Summer holidays! May the sun continue to shine and we we look forward to welcoming you back to school on **Wednesday 4th September.**
