KIDS circle

This cycle *Kids Circle* focuses on our new starters in F2. In future editions this is the space that students can write in, so if there is something you would like to say, why not submit your article to News Cycle?

Here's what Miss Rozzier had to say...
'For the children who have just started in F2 this is a very special and important time. We aim to make the introduction to 'big school' as seamless and as happy as possible. We recognise that these very early years can shape a child's attitude to learning for many years to come and we endeavour to present learning tasks that are intriguing and fun. Happy, socially confident and enthusiastic learners are at the heart of our ethos in EYFS. I am lucky to have such a

delightful group of young students and am looking forward to the year ahead.'

I asked a few of the F2 students their thoughts about being in school.

'It's good,' said Ambrose, 'I like playing with the cars and drawing.' I asked what he liked to draw. 'Tanks,' replied Ambrose.

'It's fun,' said Fabio, 'I like playing with the cars and the fire engines.' I asked Fabio if he would like to add anything else and he said, 'No, I want to go and play now.'

Celebrating Success!

We would like to celebrate the children's extra curricular success with them. If your child has achieved something they are proud of please send in the details (with a photograph if you have one) or e-mail comms@woodbridgeprimary.sch.co.uk

Finally I spoke to Olivia who told me that she thought school was 'very interesting.' I asked her what she liked doing most. 'Drawing pictures of people and exploring things,' she said. I asked Olivia if she would recommend coming to school. 'Yes,' she told me, 'because if you don't you won't learn things.'

The Book Recommendation this cycle comes from Izzy in F2

Izzy was listening to *The Emperor of Absurdia* by Chris Riddell being read by Lydia and afterwards she told me about it.

"The emperor falls out of bed then he has breakfast, supper and lunch but out of the egg (he has for lunch) flies a dragon!"

interested in either of these roles please speak to our Business Manager, Sandra Thompson. More details on the school website.

Lunch boxes

If your child forgets their lunch box please bring it to the school office as soon as you remember. The office will keep late lunch boxes and children will be advised to check with the office if they find themselves without a lunch.

School Car Park

As you may be aware the school car park is very busy. Please take care when dropping children off at school and please ensure your children stick to the pedestrian areas. Parking is reserved for staff and visitors to school. We also have parking spaces for disabled access. Only drivers with a blue disabled badge on their car are permitted to use these spaces. If you have any queries about who may or may not use the car park please speak to the school office.
