## The HEADLINE

Day for Change was fantastic! We all learned what goes into a 'school in a box' and raised money for UNICEF. I am very happy to welcome to the school Isobel in Y2 and Nieve in Y4. I hope they will enjoy their time with us. Our Parent/Teacher consultations

on Tuesday and Thursday went smoothly. Thank you to all our parents for coming along and for completing our parental questionnaire. I would also like to extend my gratitude to Governors Manuela Zeck, Liz Balding, Sarah Moss and Bob Higham who were on hand to help out.

## Our Stars this Cycle

(F1) **Lily** for curiosity during our woodland adventures and **Leo** for communicating his ideas enthusiastically. (F2) **Laura** for being curious to find out new things and for sharing this knowledge with the class and **Maia** for communicating well and asking and answering questions clearly. (Y1) **Eleanor** for always contributing to class discussions (Y2) **William** for great research about Elizabeth I and producing a book about it! And **Harvey** for excellent persuasive

communication in his soap advert! (Y3) **Kitty** for being a successful Sugar Detective! And for being a confident speaker (Y4) **James** for communicating his ideas well in Guided Reading (Y5) **Benjamin** for curiosity about his history project regarding the development of toys and **Joseph** for sharing his great ideas (Y6) **Zac** for sharing his curiosity about space exploration and for sharing it with the class and **Ryan** for the articulate way he puts forward his ideas during class discussion.

# KIDS circle

**Last Cycle:** The day was **Wednesday**. For the full solution see the Kids Circle on the Website.

Well done to **Zac** in Y6 who got the right answer!

## Alice in the Forest of Forgetfulness...

Tweedle Dee and Tweedle Dum look identical. One of them lies on Mondays, Tuesdays and Wednesdays and the other lies on Thursdays, Fridays and Saturdays (they tell the truth on the other days).

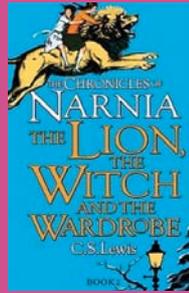

*One day Alice came across just one of the brothers. He made the following statement: -*

*'I am lying today and I am Tweedledee'*

**Who was speaking?**

## Recommended Reading...

Maisie in Y4 recommends

*"It is set in World War II and tells the story of Peter, Susan, Edmund and Lucy.*

*They walk magical wardrobe and find themselves in Narnia, where they meet Aslan the king lion, Mr and Mrs Beaver and many more too. It is a great book ...*

## & another thing...

**Did you know** that the National Gallery was founded in 1824? It is an art museum on Trafalgar Square in London and it houses a collection of more than 2,300 paintings. Its collection belongs to the people of the United Kingdom and entry to the main collection is free of charge. It is the fifth most visited art museum in the world. For more info see [www.nationalgallery.org.uk](http://www.nationalgallery.org.uk)

If you would like to recommend a book to your school mates you can e-mail your recommendation to [comms@woodbridgeprimary.suffolk.sch.uk](mailto:comms@woodbridgeprimary.suffolk.sch.uk). Don't forget to include your first name and what class you are in (and remember to ask Mum or Dad before you use the computer!)

## Day for Change

The whole school had a fun and informative day on Friday 7th February and raised an amazing **£206.93** for **UNICEF**. We learnt about a 'school in a box' which is something that is sent out to countries where disaster has struck, so that children's education can continue. For more information about 'School in a Box' and who won the class competitions see the News page of the website.

## Take One Picture 2014

Every year The National Gallery in London chooses one of its paintings for schools to use as inspiration for their work. It doesn't have to be restricted to just art and can be used in other subjects. The painting chosen last year was The Bathers by Georges Seurat. Photos of the work the children do is sent to London and if chosen it will be shown alongside the painting in the gallery. We were very lucky to be donated some money by Woodbridge Art Society which enabled us to buy lots of lovely art materials such as

watercolours, pastels and fabrics.

Year 1, 2, 4,5 and 6 and Art Club all took part. The art work included our wonderful train hanging on the stairs, hat making, life drawing and river sketches. We submitted photos of our work in September 2013 and the Art Gallery has chosen photos of our work to be shown at the exhibition which is very exciting. The exhibition is later in the year.

## Computer Science is go!

Year's 2, 3, 4 & 5 have been learning about computer programming and successfully programming beebot robots! Y5 also had an informative session with Governor Bob Higham about E-safety.

## Come Dine With Us

We have had a very successful time with lots of parents and other relatives joining us for lunch. Don't forget to book for the next *Come Dine With Us* for the weeks beginning 3rd, 10th and 17th March.

## Y4 Assembly

Y4 did an assembly about Kung Fu Punctuation! Thank you to all the Y4 parents who supported us.
