KIDS circle

Last Cycle: His statement was certainly false!

Alice in the Forest of Forgetfulness...

Tweedledee and Tweedledum look identical. One of them lies on Mondays, Tuesdays and Wednesdays and the other lies on Thursdays, Fridays and Saturdays (they tell the truth on the other days)

One day Alice meets both brothers and they say: -

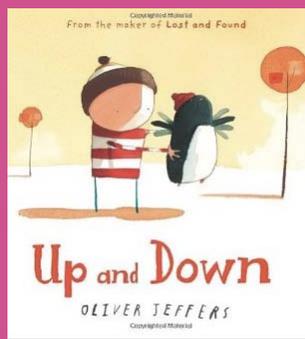

First one: If I 'm Tweedledum then he's Tweedledee

Second one: If he's Tweedledee then I'm Tweedledum

Is it possible to determine who is who? Is it possible to determine the day of the week?

Recommended Reading...

Eleanor in Y1 recommends

'This is a really good book about a boy and a penguin I really enjoyed it!'

& another thing...

Did you know that chocolate is actually a nut! All chocolate is made from the large seed (nut) of the cacao fruit. This nut is called the cacao bean or cocoa bean. It is about the size of an almond and contains proteins and oils. Cacao beans were used as money in ancient Mexico. The city was lined in gold and silver, yet they used cacao beans (chocolate!) as currency!

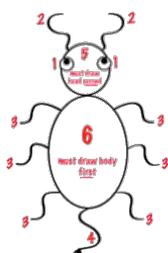

If you would like to recommend a book to your school mates you can e-mail your recommendation to comms@woodbridgeprimary.suffolk.sch.uk. Don't forget to include your first name and what class you are in (and remember to ask Mum or Dad before you use the computer!)

Hearty congratulations to Eva (Y6) Charlie (Y5) Maisie (Y4) and Samuel (Y3) (collectively the WPS Quiz Club) for winning their General Knowledge Area Heat of the National Inter-school Quiz Championship. Very well done to all of you!

Beetle Drive Fun!

FOWPS hosted a Beetle Drive on Friday 28th February and everyone had a really great time. 'It was a lot of fun!' Said Tyler (Y6) 'It's a really fast game and

I can't get over how competitive everyone was - children and parents!'

Stay 'n' Play

On Wednesday 26th February F1 & F2 hosted an *Enchanted Garden Stay 'n' Play*. EYFS was full of fairies and

pixies (both big and small...) and everyone had a magical time!
