The HEADLINE

Welcome to the penultimate News Cycle before the Easter Holidays. We have been busy with sporting endeavours this past cycle and have performed brilliantly! Very well done to our cross country runners, our swimmers and our football and

netball teams! All of this sporting activity is timely as we will be having some sporting fun on Friday supporting Sport Relief.

Very well done to Niall, Rosa and Mia for spending part of their weekend raising money for Marie Curie. They really are Superstars!

Our Stars this Cycle

(F2) **Harry** for being a confident and excited mathematician and **Isabel** for catching and throwing skills in PE. (Y1) **Joe** for his quick grasp of using place value cards to make 2 digit numbers and **Kai** for his outstanding improvement in the tennis lessons at school. (Y2) **Tayah** for mentally adding two 3 digit numbers, in grams, up to 1000 in Maths and **Holly** For fantastic running in PE. (Y3) **Samuel** for a high standard in his Mental Maths and **Ruby** for her outstanding performance in the

Cross Country (even with a broken arm!). (Y4) **Dylan** for quick thinking when in Mental Maths and **Phoebe** for amazing agility, balance and control in gymnastics. (Y5) **Katie** for always having such a conscientious attitude to her learning and **Imogen** for her outstanding progress in swimming this term. (Y6) **Lily** for attaining excellent scores each week in Mental Maths and **Lily & Hannah** for their fantastic performance in the Swimming Gala!

Last Cycle: Both statements are true, so it is a Sunday. It is not possible to determine who is who.

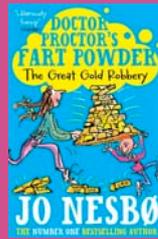

Alice in the Forest of Forgetfulness...

Alice has finally found her way out of the Forest of Forgetfulness!

'Logically Speaking' is now taking a short break until after Easter (when there will be new and more convoluted puzzles to solve!)

Recommended Reading...

Tom in Y4 recommends

Dr Proctor's Fart Powder: The Great Gold Robbery

'It's about Nilly and Lisa

and Dr Proctor. The gold supply has been stolen and they have to get it back before the Prime Minister of Gold comes for an inspection. It is a very exciting book and it makes you want to keep reading!

& another thing...

Did you know that daffodils symbolise hope? There are more than 50 species and 25,000 varieties of daffodil and daffodil bulbs are poisonous to squirrels. On April 15, 1802, William Wordsworth and his sister saw what he described as a "long belt" of daffodils, which inspired his famous "I wandered lonely as a cloud" poem. There are more little know facts about daffodils in the Kids Circle on the website.

If you would like to recommend a book to your school mates you can e-mail your recommendation to comms@woodbridgeprimary.suffolk.sch.uk. Don't forget to include your first name and what class you are in (and remember to ask Mum or Dad before you use the computer!)

Logic problems taken from 'What is the Name of This Book?' by Raymond Smullyan, published by Penguin

Superstars!

Rosa, Mia and Niall (along with their four legged friend, Jessy) demonstrated a number of Woodbridge Primary's core values when they spent part of their Saturday afternoon raising money for Marie Curie. They worked tirelessly and managed to raise over £121. Very well done! They are Superstars!

Swimming Gala

Twelve Y6 students took part in the annual Swimming Gala at the Deben pool, competing against 12 other schools. The adventure started when our swimmers got the coach and then collected swimmers from other schools along the way. There were 13 races, 3 heats to race and our swimmers performed magnificently and Woodbridge Primary came 4th overall. Noah and Adam said that they were very nervous at first, but after their first race they felt more confident. Eva and Lily agreed but said they were nervous before the races, but felt more confident once

they got into the pool. Well done to all the Y6 swimmers!

Cross Country

Woodbridge Primary did very well at the Cross Country Racing at Hollesley and came 4th over all. Ruby (Y3) and Becky (Y5) both won 2nd medals. Well done to them and the rest of the team!

Netball Match

Woodbridge Primary Netball team played Otley Primary Netball team on Wednesday 19th. Woodbridge Primary Netball team worked and supported each other as a team marvellously and there was some excellent shooting from Lily and Lauren. Woodbridge Primary won the match 19 - 4. Well done to the Netball team!

Free Match Tickets

There is an opportunity to get free tickets to watch Ipswich Town FC play Doncaster Rovers FC at Portman Road on Saturday 12th April. For more

information and to reserve your tickets please contact the school office.

Art Workshops

The Tide Mill is hosting a programme of summer art workshops on Fridays from 9th May. On Friday 11th April 6-8pm, you can meet the artists at the mill. This is an opportunity to find out about the artists and the workshops, the event is free of charge and includes refreshments. For more details see www.woodbridgetidemill.org.uk

Y3 Assembly (change)

This is just a reminder that the Y3 assembly has changed from Thursday 27th to Friday 28th March.

Scooters

Scooters are a lot of fun and we appreciate that students and their younger siblings find the school playground a great scooting surface! However, in order to avoid accidents, please can we ask parents to keep a watchful eye on their speedy youngsters?
