## FOWPS

### Summer Fair

Saturday  
21st June

Come along and enjoy all the fun of the fair! There are many wonderful attractions including a wheel barrow decorating competition and of course our famous barbecue!

For more details see the FOWPS Events page on the website

## The HEADLINE

First of all we would like to say a warm welcome to Maisy who joined the school this week. We hope she enjoys her time at Woodbridge Primary. It has been a particularly busy week for Y6 as they have been sitting their SATs. They all worked

incredibly hard in the run-up to the tests, which is why they are all superstars this week! Well done Y6 you should be very proud of yourselves; have a great time in Derbyshire. We shall soon be breaking for the half-term holiday, and when we come back we have some really fun things to look forward to including our Music Concert and Summer production.

*M. Kumar*

### Our Stars this Cycle

(F2) **Koban** for perseverance and enthusiasm in all his phonics work & **Brett** for great concentration and listening skills and for contributing in the 'Let's Think' programme (Y1) **Marlia** for working hard in Big Writing & **Sidney** for his excellent number work! (Y2) **Harry K** for brilliant improvement in his writing & **Harry M** for being a super computer scientist constructing algorithms (Y3) **Jean-Baptiste** for helping everyone in class with their French & **Charlie** for

concentrating and working hard in her Maths group (Y4) **Leo** for progress in his writing, and for listening well & **Ellie** for using wonderful new vocabulary in her writing (Y5) **Jamie Lee** for showing a diligent and committed attitude to her learning & **Liam** for increased confidence in Mental Maths (Y6) **Rafi** for a streamlined impression of a 'human torpedo' when swimming backstroke & **All of Y6** for working so hard on their SATS. Well Done!

15th May 2014 issue 15

Woodbridge Primary School, Wilkinson Way, Woodbridge, IP12 1SS

# KIDS circle

GOLD? SILVER? LEAD?

## Portia's Problems...

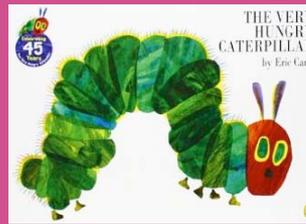

...Poor Portia, her father has decreed that she can't choose her own husband but has to marry a man based on his selection of a casket. The caskets are made of Gold, Silver and Lead and each casket has an inscription on it. The suitor who selects the casket with Portia's picture inside it can have Portia's hand in marriage...

Portia wishes to have an intelligent husband so she writes the inscriptions on the caskets.

See <http://bit.ly/1jwPpCJ> and work out which casket has Portia's picture in it.

## Recommended Reading...

Millie in F2 recommends

*The Very Hungry Caterpillar* 'I like the story and I also like the pictures of the cocoon shape and the beautiful butterfly the caterpillar becomes.'

## & another thing...

**Did you know** Caterpillars are born very, very small, they eat a LOT, grow very quickly, and turn into beautiful butterflies. Caterpillars are "eating machines" since all they do is eat, (and eat and eat!). There are about 180,000 different types of caterpillars and the life span of a caterpillar is around two to four weeks. It can be a dangerous life for a caterpillar as their predators include birds, mammals, wasps and other caterpillars!

If you would like to recommend a book to your school mates you can e-mail your recommendation to [comms@woodbridgeprimary.suffolk.sch.uk](mailto:comms@woodbridgeprimary.suffolk.sch.uk). Don't forget to include your first name and what class you are in (and remember to ask Mum or Dad before you use the computer!)

Logic problems taken from 'What is the Name of This Book?' by Raymond Smullyan, published by Penguin

## Netball Tournament

Congratulations to Lily, Megan, Rafi, Ruby, Max, Lauren and Bailey, for winning the Netball Tournament! Here's what they have to say...

On 1st May we went to Woodbridge School for a High Five Netball Tournament. We played against Kyson (Teams A and B) as well as St Mary's. It was a very exciting last match. Against Kyson 'A' we drew 3-3. Against St Mary's we won 6-4 and we beat Kyson 'B' 13-0. We won the tournament!

As a result of winning the Netball team went on to play at Felixstowe Academy and came 2nd. As runners-up in that round Woodbridge Primary Netball team are through to the next round! Well done to the Netball Team!

## School Uniform

It is wonderful to see some sunny weather and great that the children can spend more time outside. We would like to remind our parents that all children are required to wear black shoes to school, so no sandals or 'Croc' style shoes. Socks must be (matching) grey or white and students must not wear nail varnish or earrings to school with the only exception being ear studs.

## Packed Lunches

If your child brings a packed lunch to school please remember that water is provided at the tables and in line with our healthy school status children are not permitted to have smoothies, fruit juice or squash in school.

## Clubs

All Staff led clubs have ended until the week commencing 8th June, with the exception of Art Club which recommences 3rd June. Mad Science commences on May 21st. For more details about these and other clubs please see the website.

## Guitar Lessons

Our guitar tutor has some spaces for guitar lessons. If your child would like to learn the guitar they can book a free 15 minute trial lesson. Please contact the office for details.
