Summer Fair

Saturday 21st June

Come along and enjoy all the fun of the fair! There are many wonderful attractions including a wheel barrow decorating competition and of course our famous barbecue!

For more details see the FOWPS Events page on the website

The HEADLINE

Y6 worked hard for their SAT's and then went to Derbyshire for a fun-filled week of activities. They will now be working hard toward our Summer Production of 'The Tempest' and I am looking forward to that. The EYFS

Stay 'n' Play was charming and all the children looked wonderful in their costumes. Well done to everyone involved. Well done also to the Rounders Squad for a fantastic result. As (hopefully) the weather gets better we will have more sporting events to look forward to this half term, culminating in our own Sports Days.

Y6 on Top of the World!

Top of the World!

'Made it Ma, top of the world!' Y6 have returned from Derbyshire where they all had a fantastic time and felt 'on top of the world!'

Rounders Ho!

The 21 strong rounders squad played the Abbey on Wednesday 4th June. Woodbridge Primary did very well with three wins! Kassie in Y6 reports that it was 'an interesting, fair and well played tournament and everyone enjoyed themselves.'

Three Firsts and a Second...

GOLD? SILVER? LEAD?

Portia's Problems...

...Poor Portia, her father has decreed that she can't choose her own husband but has to marry a man based on his selection of a casket. The caskets are made of Gold, Silver and Lead and each casket has an inscription on it. The suitor who selects the casket with Portia's picture inside it can have Portia's hand in marriage...

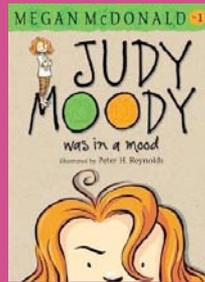

Portia decides that the inscriptions are not difficult enough (Portia wants a *really* intelligent husband!)

Go to <http://bit.ly/1jwPpCJ> and see if you can work out the new problem.

If you would like to recommend a book to your school mates you can e-mail your recommendation to comms@woodbridgeprimary.suffolk.sch.uk. Don't forget to include your first name and what class you are in (and remember to ask Mum or Dad before you use the computer!)

Recommended Reading...

Shelby in Y2 recommends

'Judy Moody was in a Mood' by Megan McDonald

This is the first in a series of books and they are all good. They are about Judy Moody and her family and friends and lots of parts are really funny!

& another thing...

Did you know that baby swans (known as cygnets) hatch from their eggs after just over a month and are often on the water with their mother within a couple of days. They stay close to their mother for both protection and warmth and the mother swan will guard her babies very fiercely!

Logic problems taken from 'What is the Name of This Book?' by Raymond Smullyan, published by Penguin

EYFS Animal Carnival

The EYFS 'Stay N Play' was inspired by the *The Carnival of the Animals* by Saint Saens. The children came dressed as an animal from the music we had a parade. There were carnival games and activities for everybody, including making carnival masks, hoopla throwing and a treasure hunt! A big thank you to everybody who attended and for all the hard work making wonderful costumes. Most importantly, thank you for all of the energy and time you have given this year's Stay N Play' sessions. The time has come for you to put your scarecrows away and hang up your fairy wings (but only for a little while...)

Hats & Suncream

In anticipation of some sunny weather... please remember to send your child to school with some suncream and a hat.

Sports Days

This year our Sports Days are on **21st** and **22nd July**. Both days our sports events will be on in the morning (from 9am to midday). KS1 will have their Sports Day on 21st July and KS2 will have theirs on July 22nd. You are more than welcome to bring a picnic and a picnic blanket and have lunch with your child after the event.

Parent Photography

With Sports Day, our Music Concert and our Sumer Production coming up we would like to remind parents that any photographs/video they take on school property is for personal use only and must not be uploaded to Youtube, Flickr, Facebook or any other social networking sites.

Locked Gates

We ask that all parents leave the playground by 4pm after collecting their children from

school. This is so that we might lock the gates so that Willow Garden, our after school Club, can use the school grounds securely. Thank you.

Tudor Costumes

If you have a child that has been to Kentwell Hall and who wore a Tudor costume that you would be willing to lend or donate to the school we would be very grateful.

Kitty's Coat

Kitty in Y3 has lost a pink Puffa jacket, (pink on the outside and lilac on the inside). If you find her jacket please take it to the Y3 classroom or hand it in at the office. Thank you.

Raspberry Pi Jam

Children who are in Code Club might like to attend a Raspberry Pi Jam! More details at <http://bit.ly/1tKEwmU>.
