## Portia's Problems...

...Portia and Bassanio have a happy marriage and a daughter (Portia II) This Portia is also clever and beautiful and as the test worked so well for Mum and Dad, Portia II decides that her suitor has to pass *two* tests in order to win her hand...

## Recommended Reading...

Willow in Y2 recommends

'Unicorn School: Team Magic' by Linda Chapman

"It's about a school for unicorns and one unicorn, Troy, is bad at Maths and another one, Willow is good and helps Troy. I like it because I like books about schools and unicorns and how unicorns use their magic"

## & another thing...

**Did you know** that the term "dogfight" (relating to arial combat) originated during WWI? The pilot had to turn off the plane's engine from time to time so it would not stall when the plane turned quickly in the air. When a pilot restarted his engine midair, it sounded like dogs barking... for other interesting facts about WWI see [bit.ly/1fBVn4P](http://bit.ly/1fBVn4P)

If you would like to recommend a book to your school mates you can e-mail your recommendation to [comms@woodbridgeprimary.suffolk.sch.uk](mailto:comms@woodbridgeprimary.suffolk.sch.uk). Don't forget to include your first name and what class you are in (and remember to ask Mum or Dad before you use the computer!)

## Quad Kids off the Blocks

Woodbridge Primary took part in Quad Kids on Monday 9th June. Adam (Y6) reports: *The whole Quad Kids event was excellent and included a variety of sports such as throwing, running and jumping. The event also included the Queen's Baton which was passed around from other team captains. Our team was unlucky not to get into the top tiers, therefore we could not go to the second round.*

## Netball Tournament

Well done Yr's 5 & 6 for participating with such enthusiasm in the High 5 Netball tournament. In spite of the hot day everyone played brilliantly. Congratulations to the top four teams, *The Black Bosses, The Blue Dolphins, Purple Frogs and Mighty Ducks*, who made through to the finals. The finals will be at the summer fair and start at midday. Spectators are most welcome! If you are in one of the teams, please let your team captain know if you are able to play in the finals.

## Flame of Remembrance

Children in Y6 were asked to design a torch called a *Flame of Remembrance* which will be lit this summer in Woodbridge to remember those who died fighting in World War I. The design, which is going to be made by a local Blacksmith, had to represent the Army, Navy and Royal Air Force. We are very pleased that Noah Horner's design was chosen as the winner. Well done Noah!

## Anyone for 'Cello?

On Friday 6th June, the school enjoyed a 'cello assembly where our three 'cello pupils played to us along with their teacher, Mr Slatter. The purpose of the assembly was to introduce the 'cello to those children who hadn't seen it before and to encourage children to think about learning to play. There are places available to learn the 'cello from next term with the possibility of having a taster session this term. Lessons are £40 a term and the Suffolk County Music Service provides the appropriate sized instrument. Ideally this is most suited to a child currently in Y3 upwards, but any keen Y2's would be considered.

## Outdoor Play Equipment

F1 & F2 are making an appeal for outdoor play equipment. If you have any that you are able to donate to the school we would be very grateful.

## Lost Property

We have a lot of lost property, mainly school sweatshirts and cardigans. If you have lost any uniform please come and look in our lost property box. Please can we ask children to try to remember to collect all their belongings (thereby avoiding items being lost) and can we ask parents to name all items of uniform (enabling us to reunite lost uniform with it's owners). Thank you.

## Birthday Lunchtimes

Birthday Lunchtimes will cease in September. The last date for a Birthday Lunch is 18th July. All Birthday Lunches must be booked by 27th June.
