23rd July

**Leavers Assembly** 2pm in the School Hall  
& **last day of the Summer Term**

## The HEADLINE

As you will be aware we were very recently inspected by Ofsted. We have now received the final report and we have been assessed as a good school. The inspectors noted that standards in reading have improved and that mathematics and writing are improving. It was also noted that pupils take pride in their work and that the school provides a safe and nurturing

environment. However, we will not be resting on our laurels as there are areas that need to be improved and we will be focussing on them. I would like to thank my staff who worked tirelessly during the inspection, our parents for their wonderful support and the children for carrying on as normal! Thank you!

The end of term is fast approaching and there are some lovely events to look forward to, including our Summer Production of 'The Tempest' and our Sports Days - I hope to see you there!

*M. Kumar*

## Our Stars this Cycle

(F2) **Joseph** for sharing his interests with the whole class and speaking in such a mature way and **Poppy** for showing confidence and consideration towards her learning in our dinosaur topic (Y1) **Kai** for being committed in his Big Write and always looking at his targets to achieve them and **Tom** for great creativity - in designing an amazing musical instrument in Science (Y2) **James** for his commitment to completing all his homework, especially Mathematics and **Henry** for showing lots of

curiosity at the Tide Mill and investigating how things work (Y3) **Maisie** for her progress since joining the school including joining her cursive writing and **Jessica** for her commitment to her schoolwork and always trying her best (Y4) **Thomas** for improving his writing (Y5) **Oliver** for showing commitment to producing excellent homework, and a great journal! (Y6) **Amy** for her Geography project on Derbyshire and **Max** for his commitment to the Year 6 production and his Derbyshire project.

*The Tempest*  
by William Shakespeare

16th & 17th July

Box Office opens on Tuesday 8th July

# KIDS circle

GOLD? SILVER? LEAD?

## Portia's Problems...

..Last week Portia (II) set her suitors the first of two tests. The second test is only for those suitors who passed the first test. Again there are three caskets one each of gold, silver and lead and once again each casket has two inscriptions on it. One of the caskets contains (another) portrait of Portia (II)

Can you help the suitors solve the second riddle?

Go to <http://bit.ly/1jwPpCJ> and see if you can work out the new problem.

## Recommended Reading...

Libbie in Y3 recommends

'Famous Five on a Treasure Island' by Enid Blyton.

"It's about four children and a dog called

Timmy and together they are the 'Famous Five'. They go on to an island and find money and have an adventure. I like it because it is fun to read and I like adventures!

## & another thing...

**Did you know** that you frequently quote Shakespeare? When Shakespeare was writing, the modern English language was less than 100 years old. No dictionaries had been written; most documents were written in Latin. Shakespeare contributed over 3,000 words to the English language because he was the first author to write them down. In all of his work Shakespeare uses 17,677 words. and of those words, Shakespeare invented 1,700 of them!

If you would like to recommend a book to your school mates you can e-mail your recommendation to [comms@woodbridgeprimary.suffolk.sch.uk](mailto:comms@woodbridgeprimary.suffolk.sch.uk). Don't forget to include your first name and what class you are in (and remember to ask Mum or Dad before you use the computer!)

Logic problems taken from 'What is the Name of This Book?' by Raymond Smullyan, published by Penguin

## African Adventure

Y5 had a fantastic time on their African Adventure! All the children participated enthusiastically in all of the activities and worked really well in their teams - they were all a credit to the school.

**Well done Y5!**

## Summer Music Concert

The Summer Music concert was a great success! There was a great variety of musical instruments including the 'cello, flute, clarinet, guitars, violin and percussion instruments. It was a wonderful opportunity for the children to see what instruments they could learn to play if they wanted to.

## We are a GOOD School

Woodbridge Primary School was inspected by Ofsted on 19th & 20th June. We have received the final report and Woodbridge Primary School has been judged **good** by Ofsted. The full report will accompany this News Cycle. Thank you for all your support.

## The Tempest

The school's Summer production of William Shakespeare's 'The Tempest' will be performed on 16th & 17th July in the school hall at 7pm. Please see the booking form and if you would like to purchase tickets they will be on sale in the school office from Tuesday 8th July.

## Sports Days (9am - Noon)

KS1 will have their Sports Day on 21st July and KS2 on July 22nd. You are more than welcome to

bring a picnic and a picnic blanket and have lunch with your child after the event.

## Medicines in School

This is a reminder that children should not keep medicines in their school bag. All medicines must be given to the office staff for safe keeping with the exception of blue inhalers, which must be given to the class teacher and will be kept in the classroom.

## Birthday Lunches

Sadly, from September, we will no longer be able to offer *Birthday Lunches*. This is due to the impact of the *Universal Free School Meals* programme.

## Outstanding Monies

We are fast approaching the end of term and would appreciate all outstanding monies for lunches, trips, music and Willow Garden to be settled by 20th July. Thank you for your cooperation.
