

News cycle

The HEADLINE

Welcome to the May edition of the News Cycle. Mr Krisson is away in Derbyshire with Y6 this week, so it gives me great pleasure to 'headline' this News Cycle. Firstly I would like to say a huge thank you to the staff, children and parents for all their support and good wishes over the last eight months, and a special thanks goes to Mel Menhams for teaching Y2 while I have been away. I am returning to work part-time and am looking forward to catching up with you in the very near future. It has certainly been a busy time for Y5 and Y6 going away on

their residential trips and well done to the students in Y3 for raising money for great Ormond Street Hospital and in doing so demonstrating their committment and consideration. There are lots of wonderful events coming up in the Summer term and I am hoping to see many of you at the FOWPS Summer Fair!

CAhloone

Soon to be...

Upcoming events for Woodbridge Primary

8th June

Y1 trip to the East Anglain Transport Museum

School reports come home

21st July

Leavers Assembly
News Cycle & Last day of term

FOWPS

SATURDAY

24th JUNE

SUMMER

FAIR

A fun filled day for all the family!

The NEWS

WPS v. Kyson: A tournament of two halves...

By roving reporter **George (Y5)**

The games against Kyson Primary school on 4th May were very hard fought. The 'A' team put in a sterling effort against strong competition but when the final whistle went the honours went to Kyson who won the match 7-3. The 'B' team also put in a great performance, they were confident and coordinated and we were delighted with our 4-1 victory. A special mention goes to Jack, Charlie and Harry S for some great football!

Well done!

To **Lily F, Lily T, Merryn and Ayden** in Y3 who organised and ran a raffle to raise funds for charity. They came up with the idea and undertook the organisation entirely by themselves! (including making their own raffle tickets). Thank you to all the parents who donated raffle prizes. Our wonderfully considerate and committed students raised an amazing £90 for the children at Great Ormond Street Hospital.

Sing up Gold Award

We have recently pledged to work towards the *Sing Up Gold Award* and we held an assembly to announce it to the children. The Sing Up Awards recognise and celebrate schools that put singing at the heart of school life.

School Dinner Payments

If you pay for school dinners the cost for the 2nd half of the Summer term are as follows: -

1 day = **£2.30**

1 week = **£11.50**

Fridays only = **£16.10**

Everyday for the half term = **£80.50**

Please see our [school dinner page](#) for how to pay.

African Adventure

Y5 had a fabulous time on their African Adventure to Sizewell.

Derbyshire

Y6 have been keeping everyone up to date with their adventures in Derbyshire.

From the School Council

Thank you to all the families for bringing in Sainsbury's vouchers. We have 2446 and we will let you know what we spend them on.

From FOWPS

Admans Community Trust kindly donated £675 to FOWPS to enable us to buy a Junior Art Island for the early years classroom. This will enable the teachers to be more flexible using it both inside and out. It also is big

enough to have more than one child per time, plus it has various uses, a whiteboard, chalk board, magnetic board. The children will have great fun with this new bit of equipment. It is being ordered and we hope to have it in the classroom soon. Thank you Admans.

From Ms Nicholls

A huge thankyou to: Sally Brayshaw, Caroline Moore, Manuela Zeck, Mr & Mrs Williams and Ewan (F1), Mr & Mrs Shove and George (YR5) and Flynn (YR3) who helped us to create a wonderful viewing area next to our pond; providing yet another opportunity for children to develop their curiosity.

Park & Stride

Remember to get out and about in the half term and enter our 'Park & Stride' competition. Practise your 'Park & Stride' route and create a wonderful map. Remember, there are prizes to be won!

Parking at school

Please remember that the school car park is for staff and visitors to the school. Please do not park in the school car park to pick-up and drop off your child unless you have a blue badge.

Office Hours

Office hours are 08:40am - 4:20pm (Mon - Fri). Occasionally there are times when the office may need to be temporarily closed. When this is necessary the blind will be down to indicate that the office is closed.

**Have a great mid-term break
See you back at school on
Monday June 5th**

Our Stars This Cycle

All of our pupils are stars to us, but every week the class teacher selects a student or two who has shone particularly brightly. See who has been especially sparkly this month...

Emily for her confidence in and around school & **Jessica** for being a kind and considerate friend. **George** for his commitment to numbers and counting. **Freya** for her commitment to her writing, using finger spaces, beautiful letter formation and including her digraphs and trigraphs

Vincent for growing confidence in all areas of school life; particularly in demonstrating craftsmanship in his handwriting and for such creativity selecting exciting adjectives. **Mikey** for growing confidence in his own skills and determination to edit and improve his work. What wonderful commitment and craftsmanship. **Sydney** for increasing commitment to learning and having the confidence to answer questions even when he is unsure of the answers. Great communication!

Jessica for her commitment to improving her handwriting and presentation of her work. **Dahlia** for craftsmanship and commitment to improving her writing. **All of Year 2!** for their hard work in their SATs and for trying their hardest. Well done everyone!

Ben for an increased commitment to improving his handwriting and presentation. **Imogen** for consistently meeting her targets and improving her writing. She shows great commitment to her learning. **Fyn** for showing consideration to his friends by always being willing to help them.

Kai for finding a strategy to move on with his 'Learn-It's. To confidently get 100% on a new level of learning and to move up to (12, 13, 14). The commitment shown to achieve this is absolutely great. **Riley** for his kindness and thoughtfulness in helping others. Riley uses his own initiative and can see the need. He offered to help Jan, Mrs Thompson, Bryn and other friends and peers. He is committed and caring with the tasks he chooses. A special gift. **Freya** for working hard on her organization skills and showing commitment towards her learning. For her kindness and consideration to help in class.

Jack has mastered some of the main points of front and back crawl and demonstrated this beautifully to the rest of the swimming group. He now swims with a smile! **Henry** for his focus within lessons. Henry is working more effectively and 'cracking on' with any given task.

Brandon for always being so fantastically considerate of those around him. He goes out of his way to be mindful of others. **Josh** for playing a key role in the 'High Five' netball tournament. He played fantastically, listened well and was really supportive of his team mates. **Each and every single one of Year 6!** did their absolute best during their SATs and are our very own SATs superstars! Well done everyone!
